

Dear Supplier,

The following qualification questionnaire is composed of 5 areas:

1. General Information
2. Certified Quality Management System **or**  
Non-Certified Quality Management System
3. Certified Environmental Management System **or**  
Non-Certified Environmental Management System
4. Logistics
5. Risk Management

Please ensure that all 5 areas of the qualification questionnaire are answered.

Depending on the existence of a Certified Quality and Environmental Management System in your company, please answer...

- either the area of "Certified Quality Management System" **or** "Non-Certified Quality Management System"
- and the area of "Certified Environmental Management System" **or** "Non-Certified Environmental Management System".

Also make sure that all YES/NO-questions in the area of Quality and Environmental Management (Area 2 & 3) are answered with either „yes“ or „no“ and **not** with „Not Applicable“.

Thank you for your understanding.
